

FEARSOME FOURSOME GAME INFO

On **January 21st, 2026** the 18 Hole League will be playing a game called Fearsome Foursome.

This is a 4 person team event where you make up your own team.

Once you have your team, **email Gladys Gillette the members of your team by January 14th**. You should also sign-in on the app individually.

Those who do not have a team can still sign-up to play golf. If there are 4 of you, we can make a team for you. If there isn't enough to make a team, you can still play golf but not in the game. And if you aren't in the game we will not collect \$5 from you.

Fearsome Foursome Rules

- Each 4 person team is divided into twosomes.
- The **highest handicap** and the **lowest handicap** will be one twosome. Their Best Ball score will be used on the even holes.
- The **other two members** will be the second twosome. Their Best Ball score will be used on the odd holes.
- Each twosome will have the option to borrow (use) a Best Ball score from the other twosome

once on the front

once on the back

If a score is borrowed (used) on a hole it must be **done immediately** **after the hole is played**.

- Score your scorecards **today only**. At the end of your round give your scorecards to Joyce or Gladys.
