PLAYING FROM THE TEES

Our league plays from Sky Blue or Lime Green Tees. In order for all players to feel they have the same field of play the PGA has encouraged players to move up to the forward tees.

There will be two ways a golfer can qualify to play from the Lime Green Tees.

- 1) A player's age plus 9-hole handicap must equal 92 or higher.
- 2) A health issue that keeps a player from hitting long from the blue tees.

Once it has been determined that you will play the season from the lime green tees, your handicap will be adjusted by subtracting 3 strokes from your blue tee handicap. Then, after playing three times from the lime green tees a new handicap will be established. Lime green tees shall be used for every hole. The tees you play from cannot be changed in mid-season.
